Interlaken

Magic, majestic, spectacular, sensational – these are just a few of the many words used by visitors to describe the breathtaking beauty of the Jungfrau Top Ski Region. You can sense the pride of the local people in their unique landscape. The resorts of Grindelwald, Murren, Wengen, and Interlaken enjoy international renown. The towering trio of the Eiger, Monch, and Jungfrau never fails to fascinate. And then there's the legendary Lauberhorn with its World Ski Cup runs – the longest in the world. You are assured a most memorable holiday, and the warmest of welcomes.

Athens is the capital of Greece. It was also at the heart of Ancient Greece, a powerful civilization and empire. The city is still dominated by 5th-century BC landmarks, including the Acropolis, a hilltop citadel topped with ancient buildings like the colonnaded Parthenon temple. Our hotel for our 3-night stay in Athens is the Hotel Titania, a beautiful four-star gem in the heart of the city.
